

INSTAGLAMOUR

Opening

a quick lineup/ teaser of the items that will be shown in this episode.

#OFFLINETALK

A short but revealing chat with a celeb, talking about their projects, which can be film/music or fashion related.

#HOTORNOT

When it comes to fashion, we all have our good days and our bad days. Even when you're a famous actor, pop star or model, you can't always get it right. In the hits & misses of the week we find out which well known ladies and gentlemen rocked an outfit we loved that week or one that was badly criticized.

#MUSTWATCH

In a movie report we will get to know all about a particular film. We'll show you exclusive interviews and behind the scenes footage.

#MUSTPLAY

Always about the music industry, an overview of a specific artist's life, their rise to fame, charitable efforts, how they use their image, ventures into fashion/film, surprising moments or a look at how an artist made their latest music video.
