

Line-Up

Action News (x3):

Three different news items, which fit the Action Zone style.

New release (Movie Report):

A ~4 minute report on a movie that's recently been released. In it, the stars of the movie will tell us more about the film or any crazy stuff that happened on set.

Special:

A visit behind the scenes of a movie that came out in the last couple of months. Not only do we meet the stars, but also production designers, special effects supervisors and many more.

Action Star of the Week:

An in-depth report on your favourite action stars.

Special:

A special item that can vary each time. From the biggest movie stunts to the most iconic one liners used in movies, to almost anything that's related to the genre.

New Release (Movie Report):

A ~4 minute report on a movie that's recently been released. In it, the stars of the movie will tell us more about the film or any crazy stuff that happened on set.

VOD Special:

A visit behind the scenes of a movie that has just been released on VOD. Not only do we meet the stars, but also production designers, special effects supervisors and many more.
